Executive Order 11514

PROTECTION AND ENHANCEMENT OF ENVIRONMENTAL QUALITY

By virtue of the authority vested in me as President of the United States and in furtherance of the purpose and policy of the National Environmental Policy Act of 1969 (Public Law No. 91-190, approved January 1, 1970), it is ordered as follows:

SECTION 1. Policy. The Federal Government shall provide leadership in protecting and enhancing the quality of the Nation's environment to sustain and enrich human life. Federal agencies shall initiate measures needed to direct their policies, plans and programs so as to meet national environmental goals. The Council on Environmental Quality, through the Chairman, shall advise and assist the President in leading this national effort.

SEC. 2. Responsibilities of Federal agencies. Consonant with Title I of the National Environmental Policy Act of 1969, hereafter referred to as the "Act", the heads of Federal agencies shall:

(a) Monitor, evaluate, and control on a continuing basis their agencies' activities so as to protect and enhance the quality of the environment. Such activities shall include those directed to controlling

environment. Agencies shall develop programs and measures to protect
and enhance environmental quality and shall assess progress in meeting
the specific objectives of such activities. Heads of agencies shall consult
with appropriate Federal, State and local agencies in carrying out
their activities as they affect the quality of the environment.

(b) Develop procedures to ensure the fullest practicable provision
of timely public information and understanding of Federal plans and
programs with environmental impact in order to obtain the views of
interested parties. These procedures shall include, whenever appro-
priate, provision for public hearings, and shall provide the public
with relevant information, including information on alternative
courses of action. Federal agencies shall also encourage State and
local agencies to adopt similar procedures for informing the public
concerning their activities affecting the quality of the environment.

(c) Insure that information regarding existing or potential en-
vironmental problems and control methods developed as part of re-
search, development, demonstration, test, or evaluation activities is
made available to Federal agencies, States, counties, municipalities,
institutions, and other entities, as appropriate.

(d) Review their agencies' statutory authority, administrative regu-
lations, policies, and procedures, including those relating to loans,
grants, contracts, leases, licenses, or permits, in order to identify any
deficiencies or inconsistencies therein which prohibit or limit full
compliance with the purposes and provisions of the Act. A report on
this review and the corrective actions taken or planned, including
such measures to be proposed to the President as may be necessary to
bring their authority and policies into conformance with the intent,
purposes, and procedures of the Act, shall be provided to the Council
on Environmental Quality not later than September 1, 1970.

(e) Engage in exchange of data and research results, and cooperate
with agencies of other governments to foster the purposes of the Act.

(f) Proceed, in coordination with other agencies, with actions
required by section 102 of the Act.

SEC. 3. *Responsibilities of Council on Environmental Quality.* The
Council on Environmental Quality shall:

(a) Evaluate existing and proposed policies and activities of the
Federal Government directed to the control of pollution and the en-
hancement of the environment and to the accomplishment of other
objectives which affect the quality of the environment. This shall in-
clude continuing review of procedures employed in the development
and enforcement of Federal standards affecting environmental quality.
Based upon such evaluations the Council shall, where appropriate,
recommend to the President policies and programs to achieve more
effective protection and enhancement of environmental quality and
shall, where appropriate, seek resolution of significant environmental
issues.

(b) Recommend to the President and to the agencies priorities

among programs designed for the control of pollution and for enhancement of the environment.

(c) Determine the need for new policies and programs for dealing with environmental problems not being adequately addressed.

(d) Conduct, as it determines to be appropriate, public hearings or conferences on issues of environmental significance.

(e) Promote the development and use of indices and monitoring systems (1) to assess environmental conditions and trends, (2) to predict the environmental impact of proposed public and private actions, and (3) to determine the effectiveness of programs for protecting and enhancing environmental quality.

(f) Coordinate Federal programs related to environmental quality.

(g) Advise and assist the President and the agencies in achieving international cooperation for dealing with environmental problems, under the foreign policy guidance of the Secretary of State.

(h) Issue guidelines to Federal agencies for the preparation of detailed statements on proposals for legislation and other Federal actions affecting the environment, as required by section 102(2)(C) of the Act.

(i) Issue such other instructions to agencies, and request such reports and other information from them, as may be required to carry out the Council's responsibilities under the Act.

(j) Assist the President in preparing the annual Environmental Quality Report provided for in section 201 of the Act.

(k) Foster investigations, studies, surveys, research, and analyses relating to (i) ecological systems and environmental quality, (ii) the impact of new and changing technologies thereon, and (iii) means of preventing or reducing adverse effects from such technologies.

SEC. 4. *Amendments of E.O. 11472.* Executive Order No. 11472 of May 29, 1969, including the heading thereof, is hereby amended:

(1) By substituting for the term "the Environmental Quality Council", wherever it occurs, the following: "the Cabinet Committee on the Environment".

(2) By substituting for the term "the Council", wherever it occurs, the following: "the Cabinet Committee".
